*Notes:*

Course days and times may change. Additional courses will be added to this list, so please check the Directory of Classes and the Environmental Science Department website.

\*Has LAB with same course number—see schedule for time.

SDEV UN3366, Energy Law will include a one-hour recitation and will be scheduled prior to the start of classes. Register via waitlist, priority to Sustainable Development students, so write to instructor if you are an Environment and Sustainability major.

SDEV GU4101, Qualitative Research Methods is a good course for Environment and Sustainability Juniors.

ANTH UN3932, Climate, Law, Global Migration, Tuesdays, 2:10-4pm

ANTH UN3861, Anthropology of the Anthropocene listed as Wednesday, but might be Monday
