**Notes:**

Course days and times may change. Additional courses will be added to this list, so please check the Directory of Classes and the Environmental Science Department website.

\*Has LAB with same course number—see schedule for time.

EDU BC3050, Science in the City, A. Hoard, has 2 sections of Fieldwork Lab: Mondays or Wednesdays, 2-6pm

URBS UN3351, Urban Elsewheres Exploring Cities has 3 sections of Discussion Sessions, times *TBA*.

SDEV UN3366, Energy Law includes a one-hour recitation (T 4:20-6). Register via waitlist, priority to Sustainable Development students, so write to instructor if you are an Environment and Sustainability major.
